**Bishops Conference Letter about regarding importance of attending Mass on Sundays.**

*This letter produced by the Bishops Conference is available at the back of church for you to take away. It details the importance to our faith of regular attendance at Mass and calls for all practising Catholics to attend Mass every Sunday, unless they are unable to because of sickness, or for other reasons such as the care of infants or the sick. Now more than ever, as we continue to journey through this pandemic, we are called to recognise and practice our faith and are encouraged to look again at the patterns which they have formed in recent months with regard to going to Mass on Sundays.*
