MERRY CHRISTMAS & HAPPY NEW YEAR 2022

I'd like to thank you for all your help and support during this challenging year which we all have suffered, I just pray that the coming year 2022 will be better for us all. I'd like on behalf of everybody, to thank our stewards for all their help and care and their dedication and time. They have made us all feeling so secure and safe whenever we come to Church. I would like to thank our Children's Liturgy leaders, our Altar Servers and our choir, who are dedicated to enriching our masses each week. May God bless and reward them all. May the Lord bless you and keep all of us safe from this danger Covid-19. Please continue to have a blessed and peaceful Christmas. Thank you personally for the kind gifts that you gave me. They are very much appreciated. As we begin a New Year 2022. May I take this opportunity to thank everybody in this parish: Parishioners, Benefactors, Friends, Visitors...who have helped in many ways through unprecedented times to maintain loving and caring community that is St Gerard's. May the Lord continue to bless you and your loved ones and richly reward you all and grant you a Healthy, Peaceful, Prosperous and Blessed New Year. May His Mother Mary be with our Parish always.

"Lord, I thank you for this new day. I know that you love me, You look at me at this moment and want this day to be a brand new beginning with "a future full of hope".

Whatever I have to face today, one thing I know is that you will be there with me as my best friend, helping, consoling, strengthening, healing and guiding me.

Lord Jesus, I give you my hands to do your work. I give you my feet to go your way. I give you my eyes to see as you do. I give you my tongue to speak your words. I give you my mind that you may think in me. I give you my spirit that you may pray in me.

Above all, I give you my heart that you may love in me your Father and all humankind. I give you my whole self that you may grow in me, so that it is you, Lord Jesus, who live and work and pray in me this day. Amen

FINANCE

STOP PRESS: *For the first time in a long time, and despite the difficulties that these last 18 months have presented us with, we are delighted to say that we are finally in credit in our bank account and have a secured monthly revenue from rental income from our church centre. This is the most wonderful news and due to the hard work and determination of our parishioners. We can head into 2022 knowing we are secure in covering our bills each month and have a little to make inroads into the much needed repairs to our church. We should be very proud of what we have achieved by standing strong in the face of adversity. Without the worry of finances, and with the improvements we will be able to make to the fabric of our church, we can start to think about the Synod message, exploring what our church should look like in this third millennium?*

PASTORAL

Making time for Confession

In the days before Christmas, there are plenty of last-minute preparations to be attended to: buying gifts, decorating the house, planning family gatherings. But, during Advent, the Church calls us to examine our lives, and amend and correct those faults that separate us from God.

One of the best and most effective ways we can draw closer to God is by confessing our sins. It is through the Sacrament of Reconciliation that the Church provides us with the means to make our relationship right again with God. The sacrament is one of healing because through it we find absolution and mercy and forgiveness.

Sometimes we get nervous about going to confession. But don't let nerves or fear hold you back. However long it has been, however bad the sin, however embarrassed you feel, don't let anything stop you from going to confession.

Fr continues to make himself available each morning to hear confessions. Please think about taking this opportunity, as we celebrate the coming of Jesus, to come closer to God.

In addition, briefly examine your conscience at the end of each day, and make an act of contrition. In this way you will become more sensitive to what is really happening in your own life, and you will be more prepared and more honest as you come to confession.

Leaflets are available at the back of church to help you prepare for your confession.

PREMISES and HEALTH AND SAFETY

We are delighted to say that we have been successful in obtaining funding sufficient to restore the church centre roof. We look forward to the work starting in the New Year. 2022 we will begin planning for the next project!!

SAFEGUARDING

Please continue to be vigilant in the COVID times by maintaining distances within church and wearing face coverings where possible. Hand sanitiser is also available when entering and leaving church. Lets continue the good work we have done to date in containing this virus and keeping each other safe. Thank you.

SOCIAL

There are lots of activities in the afternoons in the Café from Knit and Natter to painting, colouring, jigsaws and generally Nattering over a cup of tea. Check out what is on offer. ***Upcycle are looking for volunteers to tend the tables in the Café or work in the shop for maybe a few hours once a week? This is a wonderful opportunity to really demonstrate our faith and make a difference to our community. See Sue if you feel you could offer a few hours?***

Church Cleaning

Thank you to those that came to help clean the church. I know a set date is not always convenient for everyone so please feel free to attend at any time to do a bit of cleaning if you have a spare hour. If you phone Fr he will confirm he is around to let you in. All help is greatly appreciated.

Bishops Conference Letter about regarding importance of attending Mass on Sundays.

This letter produced by the Bishops Conference is available at the back of church for you to take away. It details the importance to our faith of regular attendance at Mass and calls for all practising Catholics to attend Mass every Sunday, unless they are unable to because of sickness, or for other reasons such as the care of infants or the sick. Now more than ever, as we continue to journey through this pandemic, we are called to recognise and practice our faith and are encouraged to look again at the patterns which they have formed in recent months with regard to going to Mass on Sundays.
