Sunday Obligation:

Since the beginning of the Covid pandemic, until the present time, we have shared with you our judgment that the situation of the last two years has meant that the Sunday Obligation has been impeded and has needed to be fulfilled in other ways. We thank God that this situation has now changed. "The pressing challenges of the pandemic have lessened significantly. Most people have resumed the wide range of normal activities, no longer restricted by the previous Covid measures. We therefore believe that the reasons which have prevented Catholics from attending Mass on Sundays and Holy Days of Obligation no longer apply. "We understand there will still be some members of our congregations who, for reasons of health, do not feel safe enough to return to Mass. It has always been the understanding of the Church that when the freedom of any Catholic to attend Mass in person is impeded for a serious reason, because of situations such as ill health, care for the sick or legitimate fear, this is not a breach of the Sunday Obligation." **Bishops Conference**

Making time for Confession

The Church calls us to examine our lives, and amend and correct those faults that separate us from God. One of the best and most effective ways we can draw closer to God is by confessing our sins. It is through the Sacrament of Reconciliation that the Church provides us with the means to make our relationship right again with God. The sacrament is one of healing because through it we find absolution and mercy and forgiveness. Sometimes we get nervous about going to confession. But don't let nerves or fear hold you back. However long it has been, however bad the sin, however embarrassed you feel, don't let anything stop you from going to confession. Please think about taking this opportunity to come closer to God.

PREMISES

We still have much work to do in terms of repairs and maintenance of our buildings. Whilst we achieved so much last year with anew roof on the church centre, outside lighting, new soffits and fascia boards on the whole site, refurbished church toilet, improved safety to the presbytery and a refurbished bathroom.

Sower Magazine-Grab a copy!

We made the papers! Well the Sower Magazine. Yes St Gerard's is recognised for its renovation of its church centre and its partnership with Upcycle in providing services for the Castle Vale Community. We should all be very proud for the recognition we have received as a parish for our work in engaging with our local community and also securing the financial viability of our parish.

Our next focus for our church premises in terms of repairs is the car park and perimeter fencing. Planning permission is being sought for the fencing which if agreed and installed with improve the safety and security of our church. We can then start to look at getting the car park retarmacked.

The Summer Fayre generated an astounding £1428.00 profit which will enable us to begin this project and kickstart our fundraising. THANKYOU

A parent of the child to be baptised must be baptised, attend Sunday Mass regularly and undertake the preparation meetings.

Mass Intentions: If you would like to have a Mass celebrated for a particular intention: on behalf of a family member, a friend or a deceased loved one, to remember a birthday or anniversary, envelopes are available at the back of church or email Fr Mathew.

Communion to the Sick and the Housebound: Please speak to Fr if you know of anyone who is unable to come to Mass and would like to receive Communion.

HEALTH AND SAFETY

*Please continue to be vigilant in the COVID times by maintaining distances within church and wearing face coverings where possible. This is particularly important at this time where we are seeing increased numbers of people testing positive for the virus. Hand sanitiser is available when entering and leaving church and we recommend that this is utilised. **If you have any symptoms of COVID please do not attend church without taking a lateral flow test.** Lets continue the good work we have done to date in containing this virus and keeping each other safe.*

SOCIAL

Upcycle continue to look for volunteers to tend the tables in the Café or work in the shop for maybe a few hours once a week? This is a wonderful opportunity to really demonstrate our faith and make a difference to our community. See Sue if you feel you could offer a few hours?

PARISH ADMINISTRATION

Volunteer in the Parish: Our parish needs you. A vital aspect of a church is people willing to bring their talents, experience and energy to our various ministries and activities. We have seen a great increase in representation from our youth as they take up roles as Altar servers and choir members, not to mention Nancy and her family in music ministry but we still need more. Do you want to be actively involved to help build our community. We have lots of different ways you can get involved such as:

Refreshments: We would love to serve refreshments after Mass each Sunday but require a volunteer to take ownership of organising this and recruiting volunteers to form a rota for each week. Is this something you could consider?

Church Gardens: Whilst we employ a gardener to cut the grass we are in need of someone to take ownership of maintaining the grounds, in addition to the lawns. I am sure that between us we would have lots of willing volunteers to help. Is this something you may be interested in?

Church Cleaning: Anyone up for taking responsibility for keeping our church clean and tidy? Currently there are number of parishioners that offer their time to clean, and we thank you for this. This role would really be just organising those volunteers so that we can keep on top of cleaning.

Readers Rotas etc: Please see Yvonne if you would like to offer your services with Mass each week. Flowers/Visiting the Sick/Eucharistic Ministers/Choir. Whilst "being" a Catholic is very important there are many jobs to be done and so "doing" Catholic is equally important. There really is something for everyone!

Children's Liturgy Leaders– Please see Therese if you would like to be a liturgy leader. We are looking for a team of 8 people so we can have a monthly rota for our Sunday Liturgy classes.

An independent review undertaken by the charity Barnardo's on behalf of the Archdiocese of Birmingham in relation to the management of concerns about Joseph Quigley, a priest in the Archdiocese, is now available on the Diocesan website: www.birminghamdiocese.org.uk. The Trustees of the Archdiocese of Birmingham have accepted this review and its 18 recommendations in full and you can also see the full response on the website. As an institution it is for the present Bishops and Trustees to take corporate responsibility, to apologise, learn and ensure best safeguarding practice now and in the future. There has been a significant amount of positive change in Diocesan safeguarding practice. However, these recommendations will help inform ongoing learning and improvement within the Archdiocese
